1120 North Royal Ave.  
Florence, AL 35630  
PO Box 3135

You and our amazing Shoals community are helping us log a remarkable 2018 into the books of Shoals Habitat. The construction of home #79 has been completed, and we are preparing for home #80 to break ground soon. We are excited to have even greater potential on the horizon for 2019. Your generous participation through donations and volunteering allows us to continue helping others.

In 37 years, Shoals Habitat has placed 79 deserving families into their forever homes. We are excited to build our 80<sup>th</sup> home in Greenhill, AL. Stay updated on home 80, events and more through our social media pages.

Friends, family and community members gathered on July 7, 2018 for the dedication of Shoals Habitat home number 79. Attendants kicked off their weekend by celebrating Nikki Griffin and her children as they were handed the keys to their new home on the joyful Saturday morning. The event took place at the Griffin home, located at 315 N Franklin Street in Florence. Welcome Home Griffin Family!

The Shoals ReStore is under new management. Carter Cothren accepted the position on June 5, 2018. After only one month as the Restore manager, Cothren has made some major changes that will benefit Shoals Habitat for Humanity.

Shoals Habitat for Humanity, and people all over the world celebrated National Homeownership month in June. We are thrilled to have helped families in the Shoals reach this goal over the years.

Habitat for Humanity was named the number five brand that inspires consumers through their mission in May 2018. Together we build homes, communities and hope. Our mission seeks to put God's love into action. We are proud to fulfill this mission daily at Shoals Habitat for Humanity.

We sincerely thank those of you who have played a part in our success this year. We invite you to join us in creating generational change in our community. We would love to have you volunteer on a construction site, spend a few hours in the ReStore, join us for a home dedication or support us financially. Please visit our website, Facebook or Instagram to keep up with everything that is happening at Shoals Habitat.
